INTERNATIONAL BUSINESS DEVELOPMENT CENTER

IN COLLABORATION WITH HCOMM

ABOUT US

IBDC is a "star gate", that combines at the same time a physical hub and all the services provided by BDB Network for business development and operative international support for companies and investors from the world's major economies (including innovative start-ups and SMEs).

IMMERSIVE ROOM

The idea is to perform activities in an immersive space to provide visitors with an **unique experience** of a feeling of presence. Immersion is achieved by the image and the **content displayed over 360°** in video projection, giving the impression of being within the projected work.
